The public go to shows in the hope of finding a bargain, and to be introduced to new products. Do you specialise? Have you got a new product to launch, or something special to demonstrate? Maybe you just have old or obsolete stock to liquidate? **Our shows are the ideal place for you to turn those unwanted products into cash**; and at the same time, showcase your business to a valuable and relaxed new audience. Never exhibited before? We really do understand your needs, with over 38 years in the industry we are here to help you every step of the way. Working with us is easy and very cost effective too. Please just use the **TRADE BOOKING FORM** to confirm your interest; we will then contact you, if necessary, to discuss your exact requirements.
